DECISIONS TO BE MADE:

-State Practice Test, using the 2015 released questions unless noted otherwise, which equate to about half of a full state exam.

-If a teacher would like to give a benchmark on Castle this year, please contact Kristy to get the assessments shared with you on Castle. The benchmarks are entered as they are on the paper-pencil version, so you should preview it to see if any adjustments need to be made to administer it on a computer.

Please attempt to give your benchmark assessments within 1 week of the scheduled date (either before or after). If you haven't covered the content by the date, please talk with your principal about options (especially for math).
