South Lewis Central School District Assessment Schedule K-8 2017-18

8th Grade	District BM #1 10/6	District BM #3 12/15	District BM #5 3/2		NYS Sci Assessment Performance 5/23 Written 6/4
Sci	District BM #2 11/3	District BM #4 1/26	District BM #6 4/20		

-Practice Test, using the 2015 released questions, which equate to about half of a full state exam

-the 3-8 two benchmarks will be created using the 2016 released questions – therefore do not plan to use the 2015 or 2016 released questions in your class instruction

-For those of you giving the test on the computer this year, in addition to having students taking their above benchmarks and practice tests on-line, you will want to schedule times where the class practices the logistics of on-line testing together by using:

-any computer with the Nextera secure browser – the practice test log-ins for everyone are ela03, ela04, ela05, math07, math08, etc. (and the password is practice) – THERE ARE 3 PRACTICE SESSIONS FOR EACH GRADE AND SUBJECT

-this site is available to everyone and not secure for more practice – <https://ny.nextera.questarai.com/tds/#practice>

Those doing CBT are: PL 3rd, GF 4th, 7th and 8th

Please attempt to give your benchmark assessments within 1 week of the scheduled date (either before or after). If you haven't covered the content by the date, please talk with your principal about options (especially for math).
