Assignments						
Course: [-all courses- Assignment Folder: *** Shared Assignments *** Rename Delete						
Assignments Flash Cards						
Create a new assignment in folder: *** Shared Assignments ***						

The course must say all courses Assignment folder must say *****Shared Assignments*****

Then underneath you should see the assignment called <u>*SL- Gr 5 Math Assessment #3</u> (or something similar) that goes along with your subject and grade.

Check the box next to it, scroll down to the bottom and choose assign

A screen looking similar to this will pop up			Choose the students you want to assign it to (YOU CAN SELECT CHECK ALL AT THE BOTTOM)
